Dear Northern Granville 6th Grade Families, This is Assistant Principal Emily Makay calling with a special announcement for the 6th grade families. First, I want to congratulate each and every 6th grade student for their hard work and patience while beginning the school year on an online platform. So many of you have been signing in to classes, following along with your instructors and asking wonderful questions. I know that we are laying the foundations for a wonderful school year and a strong 6th grade community. The purpose of this message is to inform the students on the Archeologist team with Ms. Wrenn, Ms. Dalton and Ms. Morgante of an update to their instructional delivery. We are partnering with Elevate K-12, an online platform to provide Math instruction to your 6th grade student. Elevate K-12 provides high quality, live instruction using Elevate Live Technology to make instruction real, engaging, and effective. Your child will receive an email with more information about the course expectations and math guidelines this weekend. Be sure to have your child check Google Classroom for the Google Meet link for next week's math classes. We are looking forward to working with your child this year. If you have any questions or concerns please contact Northern Granville Middle School at 919-693-1483. Thank you for all your support and have a good evening,
Mrs. Emily Makay, 6th Grade Assistant Principal
