Good Afternoon NGMS Staff,

I am currently in the process of planning a school-wide talent show for April 29th. I am gathering information about staff interest in this event. Please respond to this email by Monday, March 22nd if you would be interested in helping out in any of the following ways:

- 1) Planning Committee
- 2) Being a judge
- 3) Submitting a talent for the staff category

I am excited about this event and the opportunity it provides our students to feel connected and seen during this non-typical school year. I look forward to hearing from you all soon.

Thank you,

Emily Makay

Hi Mrs. Makay. Is it virtual or is it going to be held live in the school?

Great question! The event will be held virtually with some accommodations offered to students as needed. We don't want to hinder any students from participating due to technical difficulties, but that would need to be arranged prior to the event! For example, if a student needs to schedule a time to audition in person, or needs us to record their talent for the show those options will be available by request.

This is awesome!

I would like to help with planning. Being a judge and talent participation would be fine too. The talent piece has to be like a group dance(e.gTiktok challenge dance routine), a short skit(school life with teachers as students), Fashion show(themed fashion show- 90's outfit, rock, hip hop inspired looks, etc), ooooh maybe even a lip sync version where staff members select a famous artiste (can be any time period) and re-enactment a song they did. This allows people who are not so great at singing (like myself lol) to grace the stage with emotion and conviction as we lip sync favorite hits!... ok i'm getting carried away but I love the idea so count me in for ALL!

I'd be interested in being a judge. This is a busy time of year for National Junior Honor Society so I don't think I can commit to the planning part but I could on the actual day of the show.
